## Welcome to Leeds Metropolitan University Job Shop Recruitment Services

Leeds Met Jobs Team is the University **In-House Recruitment Agency** established for 14 years.

We help fill thousands of vacancies each year. Accumulatively our staff have over 56 years experience in the recruitment industry, specialising in student and graduates recruitment. We are a not for profit organisation.

Our team of dedicated consultants are all MREC Qualified and affiliated with the Recruitment Employment Confederation. Unlike traditional recruitment agencies we do not have a commission structure and our ultimate goal is to facilitate local businesses, finding the best student, graduate or employee in the market place.

The Jobs Team assists both **Local** and **National** businesses, large and small, in fulfilling their staffing requirements, both full and part time, on either a permanent or temporary basis.

### **We currently have a portfolio of professional and innovative services for employers:**

- Supply of Temporary Staff
- Supply of Permanent Staff
- Raising Your Organisation's Profile
- Advertising Solutions / targeted emails to students and graduates
- Graduate / Part time Recruitment Fairs
- Employer Stands
- Networking Events

**For more information on any of these services please contact the Business Development Team:**
