It can be useful to talk to someone who is already working in the profession to find out more about how to get work, develop skills etc. This is called informational interviewing. If you would like to do this take a look at this further information (www.leedsmet.ac.uk/lskills/local/erol/finding_fit/information_interview.html) and these guidelines (www.leedsmet.ac.uk/lskills/local/erol/finding_fit/informational_interview_groundrules.html).
