| 50   | 09 July 2007    | Preparation for ceremonies                    |                                |
| 51   | 16 July 2007    | Graduation ceremonies                         | Exact dates to be confirmed    |
| 52   | 23 July 2007    |   |                                |
|      |                 | Induction: 1 week                             |                                |
|      |                 | Semester 1: 14 weeks                          |                                |
|      |                 | Semester 2: 16 weeks                          |                                |
|      |                 | Total: 31 weeks                               |                                |

One induction and/or reading week shall be determined by each Dean or nominee from amongst the designated learning and teaching weeks in accordance with the needs of particular courses. It is *strongly recommended* that the first week of semester two be designated as the induction week for new students. Depending on operational and course requirements, this could also be designated as a reading week / module introduction week for continuing students.
