

# Freshers' Festival Matters

September 2008

## When we met at Leeds Met

Congratulations and welcome to Leeds Met, a university of coaching excellence, festivals and partnerships. Students, families and friends have been well met over the Freshers' Festival where a taste of the opportunities available to the Leeds Met community has been celebrated with fellow students, staff and partners. Over the festival, new and continuing students have been coached by and rubbed shoulders with champions such as Kanya King, Dave

Bunting and Fuzz Ahmed. Freshers have received their distinctive Leeds Met hoodies, found 'buddies', walked the red carpet at the Freshers' Premiere party, registered with doctors, joined societies and sports clubs and found part-time work.

To ensure that new and continuing students keep up with the pace of change at our pioneering university we regularly refresh the University's website ([www.leedsmet.ac.uk](http://www.leedsmet.ac.uk)). Each day it is

updated with daily observations from staff, including the Vice-Chancellor, as well as all the latest news and developments. Students are also encouraged to submit their own reflections from their university experience whether on a particular area of research, a work placement or a volunteering opportunity at home or abroad. For more information contact the Student-Centred Change Management Team, email [student-centred-change@leedsmet.ac.uk](mailto:student-centred-change@leedsmet.ac.uk).
