Who is it for?

The First Aid – Basic Skills Update/ Annual Refresher is for those wishing to update their skills within any 3 year period of completing the First Aid at Work or Emergency First Aid at Work qualifications.

The HSE now recommends that first aiders undertake annual refresher training.

The First Aid – Basic Skills Update/ Annual Refresher also acts as a first level qualification for those wishing to gain basic knowledge of what to do in an emergency.

This qualification may be suitable for those wishing to gain a basic First Aid qualification (3 hours) as a pre-requisite for various National Governing Body coach education qualifications.

Course Content

Candidates should demonstrate their competence to:

- assess the situation in an emergency
- administer first aid to a casualty who is unconscious (including seizure)
- administer cardiopulmonary resuscitation
- administer first aid to a casualty who is wounded and bleeding
- administer first aid to a casualty who is suffering from shock
